Polished

Stock Sizes

Slabs - 3cm

Durability/Uses

Interior Flooring, Interior Walls, Kitchen Counters, Other Counters

Flooring Application

COMPAC Technological Quartz is composed of 93-95% aprox. pure quartz, 5-7% agglomerate polymer in high-quality polyester or natural resin and 1% pigment. Quartz is one of the hardest minerals in nature and gives COMPAC Technological Quartz countertops outstanding levels of abrasion and scratch resistance.

Maintainance

COMPAC Technological Quartz only requires regular cleaning using a pH-neutral product or detergent, a rinse-off with water and drying with a kitchen cloth or paper towel. COMPAC offers life-time warranty for quartz surfaces.

Notes
