Flooring Application

Maintainance
Stone Design recommends using DryTreat Meta Créme penetrating sealer (has no VOC\'s, so it does not harm the environment). For added protection be sure to wax your top several times a year with Cheng Concrete Wax to keep it looking as good as the day it was installed.

Notes
IceStone is a high performance product made from 100% recycled glass mixed with cement. IceStone can be used in nearly every application where stone can be used. Manufactured in Brooklyn, NY it is the only countertop surface that has achieved the illustrious Cradle to Cradle Gold Certification. Due to it\'s commitment to green building and location, IceStone can help you attain up to 8 LEED Points for your project.
