### **Flooring Application**

Explore Radianz™ designs in high gloss and Matte finishes to expand your options. Radianz™ quartz is a durable, high-gloss surface with a timeless, natural look. Our cutting-edge compression manufacturing method enables us to create a high-density material comprised of high-purity, natural quartz, providing a luxurious, low-maintenance surface suitable for a multitude of interior applications.

### Maintainance

Radianz™ boasts easy maintenance thanks to its nonporous and chemical-resistant nature. Unlike natural stone, it does not require additional sealing to retain its permanent, high-gloss finish. Most contaminants can be removed by simply wiping the surface with a damp cloth. Just wipe away food or beverage residue using a neutral detergent and water. Avoid the use of alkaline detergents.
