Flooring Application

Maintainance
All ColorQuartz® Surfaces feature a Lifetime Residential and 10-year Commercial product warranty. You can be assured that the quality, durability and lasting beauty will endure for years to come. ColorQuartz surfaces never need sealing, polishing or reconditioning. Clean-up is easy. Mild soap and water keep your ColorQuartz® Surface looking it's best.

Notes
ColorQuartz Surfaces feature recycled content such as glass, mirror, crystal and other natural minerals. We are leading the movement toward cleaner, safer surfacing materials. ColorQuartz® is non-porous, stain resistant, and practically maintenance free. Our surfaces are the ideal choice for commercial and residential interior applications. ColorQuartz® Surfaces are tested, assuring that our surfaces are hard, durable, extremely dense, non-porous, and non-absorbent. Simply put, ColorQuartz® Surfaces are one of the best choices you can make for your countertop application.
